The Good Times Disc Golf Picnic is all about “Good Times”. It is designed to get you out and playing, interacting, and having Good Times with all your friends. The goal of the event is to remind you why you started playing disc golf in the first place, fun and Good Times.

These events will take place throughout North America between April 10, and May 9, 2004. Each event will consist of one round of golf followed by a pot-luck picnic. These events will be conducted by a local promoter or club.

These events are all about Good Times so everyone gets paid;

First your entry fee is \$16 and 3 food items for the local food bank, as well as something to add to the picnic menu.

The payout for this event is immediate for everyone. You receive a basic model disc and t-shirt with the Good Times Logo on them. You will also be fed at the picnic after the round. You will be able to choose from 8 to 10 of the most popular discs from the most popular manufacturers, but choose wisely because that will be your disc for the round.

That’s right you will play the entire round with your Good Times disc. This should send you back to when you didn’t even know what that number meant on the bottom of the disc, it was just fun.

There will be upgrade options for better discs or a long sleeve T-shirt as well as other merchandise available at each event.

The Good Times Picnic is still under development, more details will be available in the coming weeks on www.maceman.com as well as from local promoters that have agreed to operate the Good Times Events.
